Allowable Subject Matter

1. Claims 8-14 and 17-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claim 13, Flint et al (US 6,339,400 B1) discloses a portable electronic device comprising a display unit for displaying information; a cover for housing the display unit; a supporting structure for supporting the display unit on the cover; an antenna having a radiation element and a first grounding element, wherein the first grounding element is attached to the supporting structure at an edge of the display unit; and a fastening element for fixing the antenna on the supporting structure. Flint, however, fails to specifically teach that the first grounding element further comprises a hole to engage with the fastening element.

Claims 14 and 17-20 are allowed for depending on claim 13.

Reasons for indicating allowable subject matter for claims 8-12 were provided in the previous Office action.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
